Wedding specialist Chateau Hostačov

WE'RE HERE TO HELP

We have organised dozens of weddings and are here to make things as stress free as possible. We will arrange everything to the finest detail and make sure you don't miss out on making special memories.

COUNTRYSIDE RETREAT

An enchanting forest sanctuary perfect for you and your loved ones to escape to on your dream day. Far from the noise of the city with nature all around, you will have exclusive use of the chateau and forest grounds.

A man in a grey suit with a boutonniere is shown in profile on the left. A woman's hand is resting on his shoulder. On the right, there is a vertical floral arrangement with white and purple flowers. The background is a warm, golden-brown bokeh.

ALL IN ONE MAGICAL VENUE

We can take care of it all from the the perfect dream ceremony, to a delicious wedding lunch, a buffet dinner, a party to remember and luxurious accommodation.

Park and gardens

You can experience a beautiful and symbolic ceremony on the island in our park, having to cross the bridge to get to your groom lends a touch of magic to your entrance. Equally stunning ceremonies are held on the chateau terrace with a view out over the Zelezné hory mountains.

Grand Hall

If you would prefer to have your ceremony indoors, our grand hall with its painted ceiling from the 16th century is ideal.

Musical accompaniment

All ceremonies at Chateau Hostačov are accompanied by live music. Our favourite is the harp, being such a unique instrument it makes your "I do's" truly exceptional.

W E D D I N G R I T U A L S

Enhance your wedding day with special moments that you will remember for a life time.

Planting a tree

A tree planted together as a married couple is a beautiful symbol of life and partnership. Trees persevere through poor weather, teach us patience and remind us that after every gloomy winter comes spring. Planting your own family tree is a moment that no-one will forget. In doing so you are creating a magical place for your family from which you can draw strength to overcome the toughest of lifes obstacles.

The ring blessing ritual

It is beautiful watching how much energy and goodwill your closest loved ones put in when giving their deepest blessing into your rings. Two families are uniting into one and are imparting their energy into the creation of a new one. This powerful energy will be with you forever.

Gastronomy

We can provide a several course lunch or dinner, a varied spread for your buffet with an option to add a BBQ. We also have a well stocked bar with a wide selection of wines and spirits from around the world.

EVENING FESTIVITIES

This is a great place for your evening celebrations, the courtyard is attached to the restaurant which provides easy access to the fully stocked bar. You can also have your party out under the stars on the terrace, where we have a patio with a bar.
